Thunder Storm #406

NOTE: SOLID OR GRANITE BOWL MUST BE SELECTED

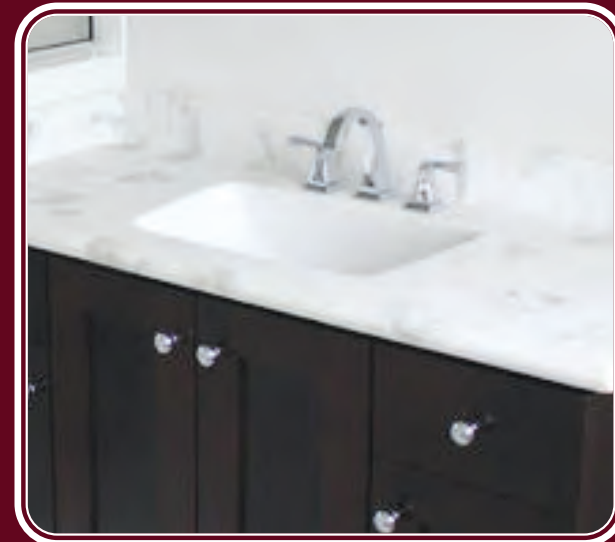

EXPERIENCE - QUALITY - SERVICE

Unlike many countertop materials, cast polymer products are made with a casting process using molds. This process allows for greater design flexibility than stone. You select the size, shape, bowl style, edge option and color to create a one-of-a-kind countertop.

5-YEAR LIMITED WARRANTY

Viking Sink Company, LLC expressly warrants its products for five years. Viking Sink Company, LLC, at its option, may repair, replace or make suitable adjustment(s) if the product fails due to a manufacturing defect that is discovered during the first five (5) years after the initial purchase. This limited warranty does not include labor charges needed to repair or replace the product, nor does it include labor to remove, repair or replace fixtures, hardware or decorative treatments.
